

Technology Marketing Corporation Principals

A Premier Representative OF RENESAS ELECTRONICS:

* Micro Controller, Micro Processor, ASIC, ASSP, Digital AV, Discrettes, Memory, Interface, and Standard IC's
* NEC AM-LCD Modules

Panel PCs, Embedded Controllers (Aaeon Boxes), Medical Displays/Terminals, Rugged Tablet Computers, and SBCs.

Time-to-Digital, Time-of-Flight (TOF), Laser, Digital Strain-Gage, Cap. and Speed Sensor ICs

LED, Open Frame, Closed Frame, Encapsulated, Medical, External, DIN, and High Density
Standard and Custom Power Supplies

Fuses, MagJack Connector Modules, LAN Magnetics, Delay Lines, Homeplug Power Modules, and Resettable Fuses

California Eastern Labs

RF, Microwave, Optoelectronic & Fiber Optic Semiconductors; Zigbee Radio Modules

Electronics Div of ZF Auto Electronics: Appliance, Industrial Switches, Keyboards, Input Devices and Position, Flow and Gen. Sensors

ChinPoon Industrial

Automotive and High Volume SS, DS, Multi Layer Circuit Boards

A/D, D/A, and Codec Converters, Audio ICs for Digital Audio, Industrial, Communication, Automotive, Energy IC's, and Automotive Products

*High Vol Low Mix Contract Manufacturing and Design Services.

* Low Vol High Mix Contract Manufacturing

Resistive Touch Screens, Rubber Keypads, Graphic Overlays, and Membrane Switches

Power Conversion Semiconductors, Hexfets, IGBTs, Intelligent Power Modules, IRAM, Hi-Rel Aero and Space ICs

LDO/Switching Regulators, Power Controllers, Op-Amps, Power Drivers, High Speed Logic & Ethernet/USB/PCMCIA ICs

NIC Components Corp.

Capacitors, Resistors, Thermistors, Varistors, Magnetics, Inductors, Ferrites, and Diodes

Precision Devices Incorporated

Crystal Products in Custom and SMD Packages, including Quartz Crystals, Filters and Oscillators

Custom Silicon Keypads, Switches, and Interconnects

Mono LCD Panels, Graphics LDC Modules, and Character LCD Modules
